## ANNEXURE-II

### NOTICE INVITING ONLINE E-TENDER THROUGH E-PROCUREMENT FOR OUTSOURCING OF ELECTRICAL MAINTENANCE AND PLUMBING SERVICES IN THE OFFICES AT THE MHU COMPLEX FOR ONE YEAR FROM 01.04.2018 TO 31.03.2019.

#### SCOPE OF WORK:

##### I. ELECTRICAL INSTALLATION

Operation and maintenance of HT and LT electrical installation of the MHU complex, 2000KVA transformer and 11 KV HT OCB's, 11 KV SF 6 BREAKERS, maximum demand metering, panel boards capacitor bank panel etc in accordance with relevant IE rules, and other rules specified by CEIG and TNEB etc. The contractor has to carry out all daily, weekly, monthly, yearly maintenance as mentioned in the specifications enclosed. The contractor has to appoint the required staff as per the Rule 3 of IE Rules 1956 and as per the enclosed schedule. The contractor is also required to maintain all the electrical fittings in the common area inside the building such as staircase, open area (lobby) and also in the entire external area of the building/complex.

##### II. FIRE FIGHTING SYSTEM

The Operation and maintenance of diesel engine 108 HP used for fire fighting, pump operation with all the consumables, panel boards, batteries and excluding diesel, engine oil, and periodical check as specified by the Supplier/Manufacturer/AMC of diesel engine. The contractor has to check the water level of the cooling tower, filling up of raw water if required. The contractor has to check Diesel / Oil level and contractor has to supply the Diesel/Oil as and when required and to be filled in the presence of co-owners. The cost of Diesel/ Oil will be reimbursed along with the monthly bill. It is the responsibility of the contractor to keep the system intact.

##### III. PUMP ROOM AND WATER SUPPLY

Operation and maintenance of water pump house and water supply line and cleaning up and upkeep of sumps, both ground water and Metro water.

The pump operator has to pump the ground water/Metro water daily and also pump the ground water to the underground sump.

Water should be properly distributed to all co-owners without any interruption on all days.

Cleaning of water sumps (over head tank & underground sump) should be carried out once in six months by the personnel engaged by Contractor.

A qualified Plumber/Electrician should be available on all working days to attend to any contingency.

#### IV. MANNING AND OPERATION OF TWO ELEVATORS IN THE BUILDING:

The lift operators shall be available from 09.00 AM to 06.00 PM. The two lifts should be in operation from 09.00 AM to 6.00 PM, whereas a single lift operations will be extended from 06.00 PM to 08.30 P.M on all working days. The Contractor has to supply and provide required manpower according to the above requirement. On Saturdays and other public holidays, only one lift is to be operated by an operator. The complex is having annual maintenance contract with M/s Kone Elevators Limited. The Contractor should inform the Annual Maintenance Contractor (M/s. Kone Elevators Ltd) whenever any fault is noticed and associate with the AMC Contractor for repair/maintenance of the lifts whenever required.

#### V.DAILY ELECTRICAL MAINTENANCE GENERAL

1. Cleaning the sub-station and panels in order to keep it free from accumulating dust/foreign materials.
2. Checking the voltage/MD reading etc., of the panels. The voltage variations will be informed to The TNEB, Chennai.
3. Checking all the meters, indicating lamps for any abnormality. If the meters/lamps are not working the same will be removed and replaced.
4. Checking of any abnormal heat of all equipments/panel board. If the heat is due to over loading, the load is to be reduced and if it is due to loose contact, it will be attended to.
5. Checking of power factor and the capacitor bank will be suitably operated for PF correction with always maintaining PF above 0.9
6. The Contractor shall have to arrange at his own cost all tools, equipments, instruments and facilities necessary for maintenance work.
7. All electrical installation viz., HT/ LT will be maintained under this work contract. The work mentioned therein shall be attended to by qualified electricians and experienced helpers as per the IER 1956
8. If any lapse(s) found on the part of the Contractor, the appropriate authority may impose monetary penalties upon the quantum of lapses.
9. Any major repair works to be carried out vis-a-vis major worn out / burn out / broken, the same should be brought to the notice of the co-owners before execution of the job. In emergency and non office hours, the urgent works are to be attended to immediately by informing the officer in charge orally or over phone.
10. Mobile Nos. of persons/offices to be contacted/informed in case of emergency arising out of electrical short circuit/ fire should be prominently displayed at all prominent locations in the building.

I/we hereby certify that the information furnished above is true and correct to the best of my/our knowledge. I/we understand that in case any deviation is found in the above statement at any stage, I /we will be blacklisted and will not qualify to have any dealing with the Department in future.

NOTICE INVITING ONLINE E-TENDER THROUGH  
E-PROCUREMENT FOR OUTSOURCING OF ELECTRICAL  
MAINTENANCE AND PLUMBING SERVICES IN THE OFFICES AT  
THE MHU COMPLEX FOR ONE YEAR FROM 01.04.2018 TO 31.03.2019.

GENERAL TERMS AND CONDITIONS:

1. The personnel employed for maintenance works should work on all days.
2. The personnel deployed should be well experienced and trained adequately and of sound health. They should be well behaved and well mannered. They should be provided with uniforms and identity cards prominently displayed. They should have knowledge of local language and preferably English also.
3. If a particular person is absent on any day, a suitable substitute should be deployed in his/her place.
4. The personnel should attend to work punctually. The personnel will perform all the duties enumerated in the contract for such services and as specified by the department from time to time.
5. The Contractor should pay to their personnel a minimum wage at the prevailing rate as fixed under the **Minimum Wages Act** vide Government of India Gazette Notification dated 19/01/2017, and any breach of this condition will render it liable for termination of the contract and the same would be dealt with accordingly. Besides, ESI and PF per head at the current rate should be paid by the Contractor every month as per the existing rules. The Contractor should ensure payment of increase in DA as and when announced by the Govt. The Service Provider should also maintain Pay Roll containing the above details.
6. The contractor is responsible for payment of monthly salary including leave salary, bonus, gratuity etc., to the personnel as applicable to them.
7. The contractor should ensure that there is no scope for any grievance from the personnel on delayed payment or short payment of wages. The employees engaged by the Contractor will be in the employment of the Contractor only and not of the CO-OWNERS' COMMITTEE, MHU COMPLEX.
8. Mode of payment will be monthly and payments to the Contractor will be made through ECS only within a month from the date of submission of bill provided that there is no dispute in respect of rates, quantity and quality of work. Tax shall be deducted at source as per the prevailing Income Tax Act, 1961 from the monthly bills. The payment will be made individually by the Co-owners' according to their proportionate share in the office complex and no advance payment will be made against this contract. The payment will be released every month against submission of the bills by the contractor and the bill will be submitted by the contractor based on the number of persons employed and the number of days worked.
9. The MHU complex is owned by four co-owners and their names and proportion of their shares are given below:

1.	The GST & Central Excise	50.39 %
2.	M/s. TIIC Limited	38.14 %
3.	M/s. ELCOT LTD	06.20 %
4.	M/s. PSC Ltd.,	05.27 %

10. The Contractor shall indemnify and shall keep this office indemnified against any acts of commission and omission or negligence, dishonesty or misconduct of the men / women engaged for the work and this office shall not be liable to pay any damages or compensation to such person or to the third party. All damages caused by the maintenance personnel shall be charged to the Contractor and recovered from their dues/bills.
11. This office reserves the right to terminate the services of the Contractor at anytime without giving any notice whatsoever.
12. All existing statutory regulations (both the State & the Central Governments) shall be adhered to and complied with by the Contractor and all records maintained thereof should be available for scrutiny by the Committee or its representative. The Contractor shall strictly comply with the terms and conditions of the agreement, which will be executed with the successful contractor. Failure on the part of the Contractor to comply with such statutory requirements and / or the terms of the agreement during the period of agreement or deficiency in services shall result in termination of the contract.
13. The contract will be in force for a period of one year from 01.04.2018 to 31.03.2019 and No escalation of price whatsoever would be allowed during the pendency / currency of the contract.
14. If at any point of time during currency of JOB, the SCOPE OF WORK for which this job has been awarded is reduced / abandoned, the payment / value of this job order shall be reduced on pro-rata basis by this office and would be binding on the Contractor (Service provider)
15. All the materials supplied by the contractor shall be of the best quality.
16. Any dispute arising out of this agreement or that which may arise in future, shall be resolved by taking recourse to mutual settlement, arbitration / conciliation clauses formulated by International Centre of Alternative Dispute Resolution (ICADR), failing which the dispute will be subject to Chennai jurisdiction only.
17. The dismantled debris excavated surplus earth and waste if any, arising during execution of work, shall be carted away immediately, irrespective of the lead and lift involved, to a place without causing hindrance to the occupants. The Contractor shall be required to strictly comply with these requirements without giving any scope/room for urging or follow up from this office.
18. The Accepting Authority reserves the rights to operate or not to operate or partly operate any item mentioned in the schedule.

19. The Contractor will have to execute an agreement with the Accepting Authority, covering all aspects of the contract in the format prescribed immediately before commencement of work.
20. While carrying out the work, extreme care should be taken to ensure the safety of the people engaged by the contractor for the work, and the men/staff working with other offices/contractors. Contractor shall take necessary precautions and make all necessary arrangements in this regard.
21. The Contractor shall clear the site in all respects and remove all materials after completing the work.
22. In the event of shifting of any premises in this notice and addition or deletion of office space the rate quoted per sq. feet by the bidders will be applicable prorate.
23. The Contractor shall comply with all the provisions of The Employee's State Insurance Act, The Workman Compensation Act and arrange for employee's liability insurance etc and any other insurance/registrations required under law and regulations. In addition, the Contractor shall also cover his tools, tackles & equipment, sub contractors' staff and workmen under suitable insurance. Further to the above, the Contractor shall also cover third party risk by Insurance.
24. The Contractor will abide by all rules, regulations & statutes imposed by the Government or any other concerned authorities. He will be responsible for work man's compensations and other requirements for housing or any other amenities and site facilities, such as water and power required by the Contractor's crew and shall provide the same to them.

I/We agree to the above terms and conditions.
